## **President's Message**

## President John's Message

Did you see the news story last week that the Bill & Melinda Gates Foundation has committed another \$1.2 billion to support efforts to end Polio globally? For years the Gates Foundation has followed Rotary's lead to rid the world of this crippling disease. In fact, the Gates Foundation matches individual Rotarian's gifts to the Polio Plus fund on a two to one basis. Rotary has committed to raising \$50 million each year for several years now which the Gates Foundation matches with \$100 million.

I want to thank the many Roswell Rotarians and friends that came out Monday night to support the fight against Polio at our First Annual World Polio Day Cornhole Tournament at Lucky's Burger & Brew. The money we raised will be matched two to one by Gates in our effort to end Polio. And many thanks to our member Ted Lescher of Lucky's for hosting our tournament and donating part of the evening's proceeds to End Polio Now.

Next month as part of Foundation month, Past Rotary International President and current End Polio Now chair John Germ will speak to our club about the Rotary Foundation and our fight to end Polio worldwide. We will recognize Rotarians who have reached their first Paul Harris Fellow giving level and others who reach a Paul Harris+ level. Now would be a great time to take advantage of a Club special one for one match of donations to the Rotary Foundation and reach your first or next level of giving. If you have questions about the matching funds or how to get to your first or next level of giving, contact our Foundation Chair, Leslie Bassett. 10/17 Jim Byrd

#### ROTARY CLUB OF ROSWELL

Thursdays, 12:15 pm Roswell Area Park Bill Johnson Community Activity Building 10495 Woodstock Road

## Program Oct. 27- All about Roswell's Food Scene

Remember ordering food online and picking up curbside, many for the first time, two and half years ago when were locked down and couldn't go out to eat like we used to do. Restaurants were laying off staff and struggling to keep their doors opened. Ryan Pernice came to our temporary home at the Holiday Inn and spoke to our club about the impact that the COVID-19 pandemic had on his restaurants and the restaurant industry in general.

Fast forward two years later - how is the restaurant industry faring? Are restaurants back in full swing post-COVID? What are the biggest challenges faced in today's economic environment? How has technology like Door Dash or Uber Eats impacted the business? What does the future hold?

This week we will hear from three local veterans of the food industry whose businesses survived the pandemic in a panel discussion moderated by our own Gordon Owens.

- Ryan Pernice Table & Main, Osteria Mattone & Casa Robles
- Ted Lescher Lucky's Burger & Brew
- Andrew Brackner Talk of the Town Catering

Our membership cares deeply about the needs and concerns of our members. We don't want to miss an opportunity to reach out in friendship when such concerns arise. The chairperson of this committee is Lynn Dunn and all news should be directed to her at lynn.dunn@rmcpa.com

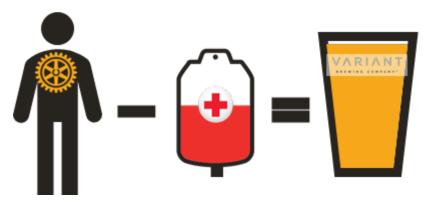

Remember Y2K? Everyone was panicked about what would happen to our computer systems when the year 2000 rolled in on January 1.

The other Rotary clubs in District 6900 should have been worried about Roswell Rotary as we started a string of Club of the Years that haven't ended.

Our President was A.D. Dalton in 1999-2000. Please hear what else happened in A.D.'s year of leadership of Roswell Rotary.

#### TUE, OCT 25 NEW LOCATION: COMPUTER MUSEUM OF AMERICA Why Does This Beer's Name Matter?

Imagine that you can save lives even though your chances are 2 out of 3 that you can't give blood. The solution is simple: find a friend, family member -- or our favorite solution, your coworkers -- to donate a pint. Not only will they get cookies and snacks, but they'll also get the Roswell-popular "Pint for a Pint" coupon from Variant Brewing, including the premiere of "Blood Orange Cashmere" to celebrate all blood donors!

Then **share this link with the one who will 'giveth and receiveth'** so that they can reserve a donor table of their choice.

Questions should be directed to Darrell Bartlett at 770-883-7757 or Hal Schlenger at 770-335-0077.

## **RRAH gets spooky at the Roswell Ghost Tour**

Instead of a typical meeting last week, After Hours decided to have a spooky social event in honor of Halloween coming up. They attended the Roswell Ghost Tour and were thrilled to have Roswell Rotarian Jonathan Crooks as their guide! Johnathan told stories and led the group to the most haunted locations in Roswell including Bulloch Hall, Mimosa Hall and Founders Cemetery.

The scariest part of the night involved Johnathan's handheld K2 meter. It lights up red when a spirit or energy is present. The meter lit up several times throughout the night and was particularly active at Founders Cemetery. Talk about creepy! Thanks again to Johnathan for an amazing tour!

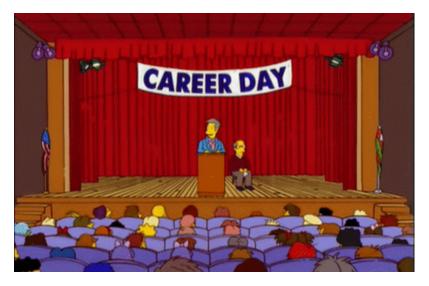

The next RRAH meeting will be 6:30 on Tuesday, November 1 at The Artillery Room @ Gate City.

# Join us for Talk Saves Lives

Save the date: RRAH is having a special *virtual* meeting on Tuesday, November 15th. Join us as we dive deeper into suicide prevention with a virtual course: Talk Saves Lives: An Introduction to Suicide Prevention. Sponsored by the American Foundation for Suicide Prevention, the community-based presentation will cover the general scope of suicide, the research on prevention and what people can do to fight suicide. *All* Rotarians are invited and more information will be shared closer to time.

## **RHS Career Day**

We are coming up on a very special day! It is Career Day for Roswell High School on Thursday, Nov 17th. You may have participated before, or you may have always wanted to shape the minds of young brilliance. This is your opportunity!

We will be looking to fill spaces immediately for our day (7:30 – 3:30), in 20-minute slots. Let's make it fun for the 30-35 young minds (each session) that you will be engaging. You can demonstrate what you do to youth by bringing props and wearing what you would wear to work: uniform, equipment, suit/tie!

This is the time to show a new generation about this exciting career path! What should you talk about you are thinking? It should be whatever projects that you work on in your career. Be you-very engaging! You can even sprinkle questions throughout the crowd for them to ask you! This may be the time to break out your company's swag or marketing materials if you choose.

Don't wait until the last minute to sign up, so you will have enough time to complete the virtual volunteer training by November 14th. It should only take about 20 minutes to complete and can be found at <a href="https://www.fultonschools.org/Page/9539">https://www.fultonschools.org/Page/9539</a>.

You don't want to miss this opportunity! There is going to be a rush to fill these spaces, so sign up today.
