ROTARY CLUB OF

President's Message

Fellow Rotarians:

I hope that everyone enjoyed Congressman McCormick last week.

In keeping with this year's goal of having a wide range of speakers, including on international matters, this week we have Do Nguyen talking with us about Vietnam.

We are continuing to refine our food service experience. I believe that it is improving but recognize that there is much to do. To that end, we have purchased a second food warmer which should expedite our ability to serve warm entrees and sides quicker as well as ice buckets for each of our tables to allow for better beverage service.

I encourage all of you to try to fill our front tables first out of respect to our speakers. Additionally, please note that in an effort to serve everyone with warm food, the servers have been instructed to only serve tables with at least two people seated. I also encourage you to dine with fellow Rotarians that you do not always eat with. We are one big family!

Please pray for our recovering Rotarians and welcome our Finnish GRSP student this week.

Do Nguyen, Rotarian since 1995 from Maumee Rotary club, District 6600, Ohio, USA.

Past DG, Do Nguyen to share long history and phenomenally impactful involvement in global projects with Rotary.

Do Nguyen has brought Rotary service projects to seven countries since 1995, including Guatemala, Mongolia, Honduras, South Korea, Cambodia, Sri Lanka. In his home country, Vietnam, he has formed five Rotary Clubs where there were none before. His service projects, such as building water treatment facilities, shipping medical supplies, providing clean water and sanitation for orphanages and schools, developing grants for basic education and literacy - all positively effecting the lives of thousands across the globe. Do received a Rotary International Service Above Self Award in 2014. Do and his wife Theresa have been married for 52 years, have 2 daughters and 4 grandchildren and now happily reside in nearby Dunwoody, Georgia. [\[read more\]](#)

"At our last blood drive back in March I gave blood for the first time. It was an easy, efficient and painless process. More importantly than all of that it was extremely rewarding. Knowing you are helping others simply makes you feel good. Altruism and volunteering have been linked to positive health outcomes, including lower risk for depression and greater longevity. Blood is the most precious gift that anyone can give to another person. It is the gift of life. A decision to donate your blood can save up to three lives."

And if you need one more thing to motivate you - people who donate blood have an 88% lower risk of suffering a heart attack.

Please join us on August 23rd at Houck's Grill. If you cannot donate for any reason, please encourage a friend or family member to donate.
